Ultimately, with your contributions we can serve our charities and the community on a much larger scale, which can be mutually beneficial for both BEGA and your organization. BEGA members can contribute more to our scholarship program for deserving students in the surrounding area, the ForeLife, Inc. (Golf Program), disadvantaged families, senior citizens in need, and the SSAGA's scholarship program.

Your support will enable BEGA and your organization to promote stronger brand recognition and engender support from the diverse group of participants and attendees of our event. Your sponsorship will earn recognition on all media promotions and releases, as well as hole-sponsorship signs for everyone to see.

Finally, we would like to offer you the opportunity to have your organization's logo included in our give-away packages. Once again, we are a 501c(3) organization and welcome all contributions.

We appreciate your consideration and continued confidence in our organization.

As always your support is greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads 'George Alton Gay'. The signature is written in a cursive, flowing style.
